

My Obituary To Stephen Louis Coleman

10 December 1952 - 16 December 2012

I CANNOT believe the sad news that reached me today (25/1/13) about the death of Stefan Coleman aged 60.

I first met Stefan in the 1970s at Buckden, England. I trained under him in Tang Soo Do and we spent many a long evening chatting in his flat in Warboys, Cambridgeshire.

He was a great guy. I have a couple of photos of Stefan and fondly remember those halcyon days of over 40 years ago.

Stefan died on a duck shooting trip in USA and was buried on 29th December 2012 at Henderson's Funeral Home Hernando.
