## MY Diary

On the 18th of November 1974 I had to go to Cambridge hospital. I woke up at 8:30<sup>am</sup>. I got dressed and went down stairs and had my breakfast and a cup of tea. At 9:30 my dad took me to his work. When we got there we had a cup of tea. Then I went out to play. When I came back it was 11 o'clock, so we got into the car and went. On the way there we saw lots of floods. When we got there we were taken to where we had to wait. We did not have to wait long, ~~when~~ The doctor ~~he~~ said I would have to have a blood test and an X ray. My doctor did the blood test but I had to go <sup>for the</sup> X ray <sup>to a</sup> lady's. When I came ~~from~~ the X ray we went home. On the way home we saw ~~a~~ rivers were all over fields. ~~when~~ We got home it ~~was~~ <sup>at</sup> 5:15 pm. I had my dinner and then watched T.V. ~~and~~ ~~until~~ 6:00 clock. ~~and~~ Then I took my dog up the <sup>road</sup> ~~road~~. When I came back I watched T.V. ~~on~~ <sup>until</sup> till 9 o'clock.
